

OUR STORY

It started with a dream and is now a reality. The Gospel of Jesus Christ Church of Beaumont was founded in 1991 by Dr. Castile Colbert Jr., as a non-profit faith-based organization that supports socially disadvantaged families.

Since then, The Gospel of Jesus Christ Church has expanded the scope of its community services to include drug prevention, community outreach, battered and abused counseling, and gang violence prevention alternatives.

THE MISSION

It is the mission of The Gospel of Jesus Christ Church to effectively minister to the Whole Man by teaching them the Word of God in simplicity and truth, to have a reverence and fear of God in spirit, mind and body. To bring restoration to the battered, abused and homeless; to provide programs and trades and equip them to lead others to salvation.

THE VISION

The Gospel of Jesus Christ Church is a Nondenominational Full Gospel Ministry; operating in the Five Fold Ministry Gifts. It's our desire that everyone desiring to be filled with the Holy Spirit get the opportunity to receive it.

We believe that the true and unadulterated Word of God must be preached at all times for God's people to remain delivered and made free.
