

CCA Admissions Policy

Families seeking kindergarten admission must complete the online application. The link to the application is on the school's website, ccaofeastman.com. Accepted students will be notified by email and will receive a link to continue the enrollment online.

Families seeking first – twelfth grade admission must complete the online application. Next, families will be contacted to schedule an appointment to take an entrance exam. Prospective students will also be required to spend a day in their prospective classroom. Finally, students are required to undergo an interview with the Head of School.

When the registration process is complete and the student is accepted, parents will receive an email with a link to continue the enrollment process online.

The registration process includes:

Online application

Entrance Exam

Interview with Head of School

Spend a day in prospective classroom

Review of applicant's transcript and discipline record from previous school

Admission committee review of application and records
