OOEY GOOEY: Jesus Meets us in our Mess

This week

Jesus met many people during his earthly ministry. Each person had their own story and their own struggles, but He invited everyone to follow Him, regardless of the choices they had made in the past. Jesus wants to meet us right where we are, and wants us to follow Him! This week, we talked about Jesus healing a Girl and a Woman from Mark 5:21-42, and learned through the reactions to this miracle, that Jesus puts our relationship with Him above rules.

Questions to ask your kiddo...

- Who did Jesus heal?
- Why were people not happy that Jesus healed those people?
- Why is Jesus never in danger of becoming unclean?
- How can we spend time with sinners and not become sinful?

This Weeks Challenge

Jesus broke two laws in one day all for the sake of healing people. Jesus put relationships above rules. This says a lot about the character of God and how much he cares about what is in our hearts, as opposed to how we look on the outside. Spend some time with your kiddos and family brainstorming some ways you can share the Gospel with people who need to hear it. Remember that we are all messy, and that we ALL need Jesus. And we should be sharing the gospel with everyone!

Memory Verse

"Jesus heard that. So he said to them, "Those who are healthy don't need a doctor. Sick people do. I have not come to get those who think they are right with God to follow me. I have come to get sinners to follow me." Mark 2:17 (NirV)
