Unit 2: What Should I Worship? | Lesson 2

This Home Connection activity should take about fifteen minutes to complete. As soon as you get home, with a parent, write down a time this week when you will work together to complete this activity.

Day: _____ Time: _____

Activity

This week, we discussed what it means to worship someone or something.

Explain to your family what it means to worship someone or something. (You can draw a picture or draw the worldview map if that would help.)

We also read through Romans 1:18–25 to see what it tells us about Truth and worship.

Read through the passage together and listen for the words *Truth* and *worship*.

Now read the passage again and focus on what God is telling us about Truth and worship. Discuss it as a family.
