

# Foundation Home Connection

## Unit 4: Who Am I? | Lesson 5

⌚ This Home Connection activity should take about fifteen minutes to complete. As soon as you get home, with a parent, write down a time this week when you will work together to complete this activity.

Day: \_\_\_\_\_ Time: \_\_\_\_\_

### Activity

This week, we researched what other worldviews believe about humans. As a family, read the summary of each worldview.

#### *Islam*

*If you use the Islamic worldview map as your worldview map, you believe that humans were purposefully created by Allah. You believe that Allah created humans as bodies and souls and made them boys or girls on purpose. However, you do not believe that humans are created in Allah's image. And you think that it is better to be a boy than a girl.*

#### *Postmodernism*

*If you use the postmodern worldview map as your worldview map, you believe that humans are accidentally evolved animals. You do not believe we can ever be sure exactly what humans are. So, you think it is important for humans to look to their communities to help them decide who to be.*

As a family, discuss what each worldview believes about humans. How might believing these different things affect your choices and behaviors? This week, as you read books, watch movies, and listen to songs, pay attention for any messages about what humans are that may come from one of these worldviews.

As a family, thank God for making you in His image. Pray specifically for Muslims and postmodernists. Ask that God would soften their hearts to the Truth and give you opportunities to share the Truth with them.
