

## Foundation Home Connection

### Unit 5: How Can I Tell Right from Wrong? | Lesson 1

This Home Connection activity should take about fifteen minutes to complete. As soon as you get home, with a parent, write down a time this week when you will work together to complete this activity.

### Activity

This week, we looked at right and wrong. As a family, write down several actions you know are right and several actions you know are wrong.

Right

Wrong

|       |       |
|-------|-------|
| _____ | _____ |
| _____ | _____ |
| _____ | _____ |
| _____ | _____ |

Are these actions right or wrong because you decided they were right or wrong?

What if your community decided one of the actions on your Wrong list was right? Would it make that action right?

Actions are not right and wrong because we choose them or because our community chooses them. There is something deep inside of us that tells us certain actions are right and certain actions are wrong. Because we are created in God's image, we know that certain actions are right and certain actions are wrong.

As a family, spend time thanking God for placing inside of you this knowledge of right and wrong. Ask that He would give you opportunities to tell others that their understanding of right and wrong comes from Him.
