Life Application

This week, make it a point to verbally express your gratitude to Jesus each day. Whether through prayer, sharing with family and friends during Thanksgiving, or in conversation with others, practice saying out loud what you're thankful to Jesus for. Consider writing down three specific things Jesus has done for you and share them with someone this week.

Key Takeaways

- True gratitude begins with thanking Jesus for what He has already accomplished through His death and resurrection
- Remembering Jesus' past victories leads us to praise Him for who He is right now - a righteous warrior with all power and authority
- Gratitude for Jesus' completed work naturally moves our hearts toward anticipating His future kingdom and reign
- Expressing thankfulness to Jesus out loud, both individually and corporately, strengthens our faith and endurance
- Jesus delivered us from the kingdom of darkness into His kingdom of light, giving us an eternal inheritance to anticipate

Ending Prayer

Lord Jesus, thank You for being our deliverer and savior. Just as You rescued Israel from Pharaoh's army, You have rescued us from sin and death. Help us to live each day with grateful hearts, remembering Your victory at the cross and resurrection. May our gratitude move us to praise You for who You are today and to eagerly anticipate Your coming kingdom. Give us boldness to share our thankfulness for You with others, and may our lives be a testimony of Your grace. We pray for Your kingdom to come and for You to reign forever and ever. In Your precious name, Amen.
