

Deeply Rooted

2026 Stewardship Campaign

In a world filled with uncertainty and change, St. Andrew stands as a **deeply rooted community of faith**—a steady presence grounded in God’s enduring love. Our roots run deep in the soil of compassion, service, and justice. From these roots grows a faith that shines as **a beacon of light for all**. Through our ministries, we reach out to a world in need of hope and belonging. Our message of inclusion, community, and grace reminds us that love still prevails—that together, we can transform lives every day. As you prayerfully consider your **Estimate of Giving for 2026**, know that your generosity enables St. Andrew’s ministries to grow. Each gift helps us meet the needs of our neighbors and provides a source of enduring love for our community and beyond.

Boundless Love: Deeply Rooted in Compassion

St. Andrew Market – Providing Service and Support to Hundreds of Nearby Families

Through the St. Andrew Market, we serve hundreds of families each month, with dignity, providing food, clothings, school supplies, and essentials. Each meal shared and every act of kindness reflects our commitment to being Christ’s hands in the world.

“Thank you to the members of St. Andrew for everything they do for us; it’s very heartfelt, and helps more than you could ever imagine. God keeps blessing us through the church by giving us the opportunity to keep coming here.” – St. Andrew Market Families

“A few years ago, UMC of Eagle Valley faced real uncertainty. We started a new partnership with St. Andrew rooted in boundless love. We’ve found connection, consistency, and shared purpose.”

– Cynthia and Ben, Members, UMC of Eagle Valley

Shared Ministry in Eagle Valley

Our partnership with **UMC of Eagle Valley** continues to flourish. Once struggling without a full-time pastor, the congregation now thrives through our shared ministry and support. Together and with compassion, we are nurturing faith communities that grow strong even amid uncertainty—a living example of what it means to be deeply rooted in love.

Evolving Faith: Certainty in Uncertain Times

During this time of uncertainty and division, our St. Andrew family can find sanctuary in our faith community. Here, we can worship in a community that values love, compassion, and justice.

Expansion of Senior Ministries

Our senior ministries continue to expand, and include supporting residents in the nearby Wind Crest community. These ministries remind us that faith evolves with us through every stage of life—and that God’s love remains constant.

“We’re grateful to have found a spiritual home here at St. Andrew—a place where faith doesn’t stand still, but keeps moving forward.” – Steve, Senior Ministry Participant

Meeting the Needs of Our Online Neighbors with Increased Digital Services

“If we didn’t have your sermons, I think our little church would eventually close. We can’t afford a minister anymore. It kinda gave us a port in the storm. Your sermons are relevant. We’re just so happy to have found you!”

– Members of Noxon United Methodist Church

Our online worship community now reaches more people than ever before—with four worshipping online for every person in our sanctuary, we are multiplying our impact. From rural Montana to distant cities in Pennsylvania and Indiana, many are finding a spiritual home at St. Andrew—a place where they can belong, be loved, and be reminded of God’s presence in uncertain times.

Inspiring Action: A Beacon of Light for All

Faith without action is dead. St. Andrew’s ministries continue to improve lives through our missions throughout the world and here at home through our social and environmental justice ministries.

Mission Work: Planting Hope Abroad

Our youth engaged in mission work across the American West and Central America this summer including rebuilding homes, planting hope, and deepening their understanding of faith in action. Their work shines as a beacon of light, inspiring others to live compassionately and courageously.

“Over the years, St. Andrew youth have been partners in vital improvements noticed by the entire community, and our primary enrollment has increased. This would simply not have been possible without the immense love and generosity shown by the St. Andrew team.”
– Felicia, Principal, Epworth Methodist Primary, Dangriga, Belize

“We work towards bringing more love and justice into the world. We are writing postcards, calling our elected officials, showing up for rallies, and learning how to connect with people who think differently than us.”
– Dona, Member, Home Grown Justice

Inspired Social Justice Action
Our Social Justice Ministry stands firm in advocating for equality, inclusion, and compassion. In a divided world, St. Andrew remains a sanctuary for dialogue, healing, and unity—proving that light can outshine fear and love can overcome division.

Leading the Way Through Environmental Leadership

Our Environmental Justice Ministry continues to lead the way in creation care, making St. Andrew one of Colorado’s most environmentally conscious churches. From water conservation to sustainable building practices, we are living our faith by being good stewards of God’s creation.

Strategic Initiatives for 2026

We anticipate that our 2026 operating budget will grow as we invest in safety and security measures, increase our investment in small group ministries, and support our growing online community. Your participation in this campaign will make all the difference as we continue to be a source of strength and hope for people both near and far.

How Can I Help?

Every act of generosity—every pledge, every prayer, every shared moment of service—helps our roots grow deeper and our light shine brighter. Your giving ensures that St. Andrew remains:

- Deeply Rooted in faith and community
- A source of Certainty in Uncertain Times
- A Beacon of Light for All

In 2025, we received 720 pledges from St. Andrew members and friends; our goal for 2026 is 800 pledges. We hope you’ll help us reach this goal!

Goal: 800 Pledges

Together, we will continue to grow in compassion, share God’s unshakable love, and be a steady light in an ever-changing world.

The light shines in the darkness, and the darkness has not overcome it. – John 1:5
