

We moved here from New York City about 10 years ago.

When we had our daughter, we wanted a deeply rooted community and church home that provided a safe, supportive environment that accepted our family and allowed us to raise her in the Christian faith without judgement. We started attending St. Andrew regularly, and everyone was incredibly welcoming. Getting involved was very easy, and now our daughter is discovering her own faith through the preschool and Kids Ministry.

St. Andrew's partnership was key to helping UMC of Eagle Valley thrive and reimagine ministry.

Through this vital collaboration, Eagle Valley's leadership was able to see what's possible and reconnect with the surrounding community. After moving to Denver, we found a community and sense of belonging at St. Andrew that connected with our spiritual roots and felt like home.

Root yourself in faith at St. Andrew.

Psalm 1:3 – “They are like trees planted by streams of water, which yield their fruit in its season, and their leaves do not wither. In all that they do, they prosper.”
