

# Spring Festival Choir 2026

## Information for Participants

### Event Overview

Requiem of the Masters III is a powerful musical journey blending movements from Mozart, Fauré, Brahms, and Heather Sorenson, with narration by Karla Walker of Colorado Public Radio. Singers will explore the majesty and intimacy of the Requiem tradition—from the haunting 'Lacrimosa' to the radiant 'Sanctus' and serene 'Pie Jesu.' The festival promises deep musical satisfaction, community, and a transcendent performance experience for performers and the audience alike.

All experienced and returning singers are welcome to join the Spring Festival Choir. This promises to be a meaningful concert experience within the life of the church; open to the public.
