"the gospel must first be published among all nations"

Mark 13:10

March 10, 2025.

Dear Supporting Churches, Brothers, and Sisters in Christ;

And he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. 2 Cor. 12:9 I can no longer rely on my physical strength or clearness of mind, I am thankful for my wife's help. She helps me with many things now because of my memory getting so much worse. Like putting this letter together. I can tell her things but she must write it down, because I can't remember how to type or spell. But thank the Lord I can still read his word every day. And I try to remember that no matter what state I am in I serve a mighty God who loves me even in this state I am in!

Since we last wrote, we have had our third Annual conference at Lamb of God Baptist Church with brother, Michael Lee as our guest speaker who is a missionary in Ecuador. His wife Tammi, and their two sons Jonathan and Andrew were also able to come. What a blessing it was to have them with us. Jonathan helped us to learn how to get our service up on YouTube and how to work with sound systems and helped train one of our young men, Gray. Plus we were blessed with many specials from Jonathan and his Cello, plus Tammi and he played some very beautiful music together. They were wonderful! We were able to have an English-speaking conference and then another one for three days in Spanish. The Spanish one grew every night, and it has opened a door for us to start having meetings every week on Sunday evening at another location. Please pray for Travis, our pastor, with this endeavor and for brother Michael Lee as he will be helping Travis with this via phone and materials. Along with all of us here that we can be supportive in whatever way we can even though we don't speak the language. We are all so excited about this opportunity that God has opened up.

We would also ask that you pray for our Pastor Travis' two daughters, Tarissa and Takoa, as they are now in Panama helping brother Cristobal in the works there for the next three months. We are excited for them and the opportunities that God has given them in this as well, and their sweet spirits for wanting to help in missions. They have both been learning Spanish and are excited to be able to use it there for the Lord.

We are listing our home with another company because we have not been able to sell it at this point. We are waiting on the Lord and his leading with it. We have been told with all the higher interest rates things are not moving very well here now.

I have had to be put on another medication for my heart and we are hoping that it will work because they are saying surgery if it doesn't work and I am not sure I am up for that. But also Annette found out this last week that her neck arteries are clogged at 69% and they are starting her on a new medication hoping it will clear it out so she doesn't have to do surgery. We so covet all your prayers in this. I was also blessed with new hearing aids which has helped!

Annette is still discipling one of the new converts here JJ once a week which I know she really enjoys. Pray for JJ and husband, Bryson that still needs the Lord, and another one of our ladies Krissie and husband John that also needs the Lord. We also ask that you pray for another lady Agrita that comes from time to time and needs the Lord. Pray that the Lord will open the doors to start a one on one Bible study with her.

We are very excited about this month we have some of our grandchildren coming over for spring break. So that will also keep us busy with some fun! We can never thank you all enough for your continued love, support and prayers which we so desperately need!

In His service, Tim Chace
