Dear Pastor and Church,

Greetings from sunny England. Don't get to type that very often but we have had a fabulous sunny spring. We have also had a fabulous springtime of blessings. Liskeard Baptist has seen 6 more people give testimony of having trusted Christ and 4 of them are waiting to be baptized. All are amazing testimonies of God's grace, but one story just keeps growing. Lee was an atheist who sought to disprove God. After being challenged to seek God, he did so and came to the Christ. The change in his life was so drastic that his daughter started researching what had caused the change and through that study got saved. This ensued some discipleship classes with the two of them who were joined by mom who then trusted Christ. The lone holdout was teenage son who was just responding as he had been brought up in an atheist's household. Between coming to church, eavesdropping on Bible studies and asking numerous questions, he just this week was born again. The family is excited, the church is excited and Riley Barrett, who has been working with the family is as well. That is not the end of the story. As the Bible studies progressed, Lee expressed a desire to reach out and tell others about what God could do for them. He just as not sure how and Riley gave him some pointers. Lee reached out to a young man in need of some help and through those acts, the young man started coming to church, got saved and is awaiting baptism. Praise God!!! New Christians reaching others.

We ask you keep praying about our building situation. On the last Sunday in April, Liskeard Baptist set a new attendance record, and we almost ran out of space for chairs. Great problem to have and we are grateful for how HE has blessed the work here. We know He has a plan for the future of the church in Liskeard and are excited to see how He leads and provides.

Andrea and I are well and in good health. We have truly been blessed all these years to not have any major health issues. With the young couples we have sponsored in the country being around, we are more cognizant that we are slowing down a bit but trust God will give us many more years here in England.

We have three outreach events this summer and praying to see more families get saved and into the church. Thank you for praying with us and for helping us stay here in Cornwall
