July-September 2025

Dear Pastor and Church,

I bring you sincere greeting from the wonderful country of Ghana. I pray that this meets you all doing well in the Lord. May His goodness be always manifested in your life.

The Lord has continued to bless us wonderfully. We have done our second and third church organizations and ordination of pastors. The Akotoe Baptist Mission has been organized into a full Baptist church with Brother Philip as their pastor. Akotoe is a farming village with a population of less than five hundred. Please pray for this new church and their pastor.

We also ordained a pastor for the Dawa Baptist Church. Their pastor is Brother Isaac Anim. Both pastors have been in training for a very long time and there were times when we wondered if we will ever get to the point of ordination BUT GOD in his own timing brought us to the point of ordination with joy and full satisfaction that they are His men for them. Lord willing, the Aklusu Mission will also be organized in October this year. The Meriwa Mission, Todome Mission, and the Tsibu Mission will also have their days. To God be all the glory.

On Sunday the 14 of September we baptized nine converts after being in a study with the converts for some time. In my part of the world one has to teach converts what baptism means before you baptize them. This eliminates the idea of baptismal regeneration which is so prevalent.

The Lord has also been blessing the Radio Ministry and we are very grateful. We get calls from places we never could have otherwise been with the Good News. To God be the glory.

Next month, October, is my tribe's annual festival. It is a period when my people come to tribe's main towns. We love to use the time for evangelism. Please pray for

us that all will go well this year. We will be printing tracts for distribution and also be preaching in some of the town centres. Our sponsoring church, Pleasant Valley Baptist Church, Dallas, recently shipped some Bibles to us and we hope to be distributing some during this period also.

My family and I are doing well by God's grace. Oh yes, there are some health challenges but we are generally in good health. God is good.

We want to thank you so much for being our faithful partners in this privilege of reaching out to souls. God bless you.

Sincerely,

Brother Samuel, Gloria and our young adults.
