

THE PEARSON FAMILY

Mission report: The sad news of our trailer being stolen might have reached you and unfortunately that news hasn't changed. We are praying for God to do a work on the thieves heart. We march forward by Gods grace unmoved from our mission.

The basketball ministry will start back up in September. Please pray for peace on the court and peace in the hearts of the men that hear the gospel.

My nephew Ken is now being homeschooled by us. Please pray God will save him and we have a good year of school.

Zachery has still been coming to church, please pray for him.

Family report: Sariah is going into 8th grade. She is playing her first year of volleyball and her dad is helping to coach. She loves it and is having fun. Sidney is going into 7th grade. Sidney is fully engaged in her ballet. Daniel is going into 6th grade and he is really liking baseball. David is going into 3rd grade and he has his eyes on basketball. We ran into a challenge with Sariah's volleyball team where they have some games on Sunday and we have to tell them we won't be at those games. Pray for us as playing sports on a team is new for our kids. We pray that they enjoy playing, but remember Ball is not God.
