#### **SERVE LPUMC:**

We rent the church building from Lincoln Park United Methodist Church. Their congregation is elderly and aging, and they are the progress of purging, cleaning, and preserving records from past congregations. We will likely be using our July 30th service time to assist with any physical help they need to do this. Childcare will be available for children 5 & under.

Yes, we use Facebook and Instagram.  
But the **BEST** way to stay up to date with important information about Mosaic is to receive email updates.
