## DISCIPLESHIP

Jesus told us to go into the world and make disciples (Matthew 28:19). Here at ALC, we want to do exactly what Jesus said. Becoming a disciple of Christ means that change must happen, inside and out. We are here to guide you along this discipleship journey!

## CONNECTION

At ALC, we believe that the body of Christ is meant to be connected. Groups are just one way we stay connected to one another! It helps us to “Live in harmony with one another...” like Romans tells us to.

## ACCOUNTABILITY

In the book of James, it tells us to, “confess your sins to each other and pray for each other...”. In MyGroups here at ALC, we ensure that these are safe environments to be open with one another. We are here to help you and pray for you!

## GROWTH

Growth is essential to the believer. Whether you’ve been saved 2 weeks, 2 years, or 20 years, we believe that there’s always something for everyone to learn and grow in! MyGroups are the perfect way to grow with one another.

The Bait of Satan exposes one of the most deceptive snares Satan uses to get believers out of the will of God - offense. This trap restrains countless Christians, severs relationships, and widens the gulfs between us. Although we will all encounter offense, we can choose how we will react. Learn how to identify the traps ahead of you and escape the victim mentality. This study will inspire you to stay free from offense and its destructive power!

## THE SANCT- UARY

### SUPERNATURAL LIVING: PART 2 | PASTOR ANTWAN SLAUGHTER

This MyGroup explores what it truly means to live a supernatural life as a believer in Christ. You'll discover that life in Christ goes beyond human strength and reasoning - it's empowered by the Holy Spirit. Through God's Word, we'll learn how to apply the supernatural to every area of life: spiritual, practical, relational, personal, and financial. As Jesus taught in Matthew 6:10, "Your Kingdom come, Your will be done on earth as it is in heaven." This truth calls us to move beyond ordinary Christianity and embrace a lifestyle that reflects the supernatural nature of God's Kingdom.

#### THE LIFE OF THE ALTAR | BRANDON GABLE

This Bible study explores the altar in the Old Testament as a sacred place of encounter, sacrifice, covenant, and divine exchange, and reveals its fulfillment in New Testament prayer. Participants will trace how altars marked moments of repentance, worship, and transformation, and how these foundations point to Christ and shape the believer's prayer life today.
