## Christmas Program Thank you!

Hello, This is Benjamin C. Pearce, I just wanted to say thanks to everyone that had a hand in putting on this year's Christmas Program. Everyone did an amazing job in the parts they played. This was the most ambitious of the three programs I had already written before we were blessed to be here in this congregation. I would like to give a special thanks to Chuck and Scott, for their help in getting the Stage set, with real big thanks for their work on the manger shed. And their help on getting the new area mic mounted above the stage. The show would not look as wonderfully with out their help. I would also like to thank Jayden, Gavin and Roman, for their roles as the three main Shepherds. They are all three incredibly talented young men. And the way they worked so well with the younger cast and Chorus members was amazing. They may not know it but they really influenced the other members of the cast. Cause if the older kids are doing it and think it's cool then the younger will too. So a Really, Really Big Thank You to you as well. I would also like to thank my wife Jarryn for her work in the pro presenter side. She is the one who put it all together and made it look amazing. She did the work in Power Point, and then a thank you to Pastor for converting it to Pro Presenter. Without them we would not have the words for everyone to sing as they all did. Lastly thank you Parents for pushing your children to try new things. Everyone did an amazing job in there respective roles. The parents especially, things would not have run so smoothly without their help in the background. Also, lastly a Big Thanks to Julie for her wonderful voice in singing "The Angel Gabriel from Heaven Came" it's one of the more difficult songs in the Program and she sang it masterfully. Again thank you everyone for your parts in making this the best Christmas Program we have had since I started running them. And Thank you Our Savior Lutheran for allowing me to do this every year it has been stressful but incredibly rewarding. And Lastly, for real this time, thank God for giving us His Son to live, teach, and then to die for our sake and then to rise again to come again when that time comes. God Bless you and Keep You.

## Valentines Dinner

**Date:**

**Feb 21, 2026**

**Set up Feb 20  
4 pm to 7 pm**

### Valentines Dinner Fundraiser

This year we will be hosting a Valentines Dinner! What that means is we will need to pick a theme for decorations, a menu and get the word out. We will need to decorate the room we use and have parents help with the cooking, youth will be serving. If we have youth willing to share their musical talents for the evening that would be a fantastic addition to the evening.

We will also need youth to volunteer to take care of children if the adults wish to have a nice meal with out the rest of the family. The goal of this is to give families/couples a nice evening out while raising funds for the future youth activities.

### Youth Group

**Sr. High Connect

# Sunday School

Sundays @ 10:15 am

## Elementary

**Pre-k—5th Grade Upstairs in the South Classroom**

With Two or More we will celebrate how we can help kids to be seen, known, and loved. Just like Jesus taught to a small and large groups, Two or More leads the kids whether it is a small group or large group of kids to share Bible-rich experiences as they grow in faith together.

## Youth

**6th—12th Grade Downstairs in the Youth Room**

We will be starting a new Bible Study called “Best Year Ever” If you’re ready to have the BEST YEAR EVER, how you handle your relationships with family and friends will be a huge factor.

Jesus put those people in your life for a reason.

## Mexico Mission Trip – March 14th-20th, 2026

As I do every year I will be headed with a group (they have been going for over 20 years) down to Puerto Penasco, Mexico to build a house through Amor Ministries based out of San Diego, California. We will build an 11x22 home, think of a concrete floor with four walls and one dividing wall inside. The cost of the trip is \$600 and that covers registration, camping, building materials, meals, transportation (unless you choose to fly into Albuquerque or Phoenix), and vehicle insurance. We will stay at St. Lukes on the way down and a hotel on the way back. A \$100 deposit to secure your spot. The house will take 2 and half days to build so we will spend time the afternoon on the beach as well as at the port for supper that night. If you are interested, talk to Jarryn about the details and any questions.

### STEWARDSHIP – DID YOU KNOW?

If you want to feel rich, just count all the things you have that money can't buy.

*And God is able to provide you with every blessing in abundance, so that you may always have enough of everything, and may provide in abundance for every good work. 2 Corinthians 9:8*

Always remember that nothing we have belongs to us. Receive everything with a grateful heart from the hand of God.

*And my God will supply every need of yours according to his riches in glory in Christ Jesus. Philippians 4:19*

If you belong to Christ, it's logical that everything we have belongs to him.

*For if we live, we live to the Lord, and if we die, we die to the Lord. So then, whether we live or whether we die, we are the Lord's. Romans 14:8*

Remember: The most important things in life aren't things and the best things in life are always free.

*And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work. 2 Corinthians 9:8*

# FROM IOWA DISTRICT WEST—JANUARY MESSENGER

## January – “Pro-Life Month”

January is widely considered “Pro-Life Month” due to the anniversary of the passing of *Roe v. Wade*, as well as several significant pro-life events and observances. Despite *Roe v. Wade* being overturned by the Supreme Court of the United States in June 2022, the killing of the unborn remains widespread in America. In fact, the total number of abortions reported nationally has slightly increased since the overturning of *Roe v. Wade*.

Reasons for this upward trend in abortion volume, despite some states putting strong restrictions in place, are likely due to expanded telehealth capacity and the ability to receive the abortion pill via mail. Telehealth accounts for over 75% of all abortions in Iowa. There is much work to be done despite the good progress made in recent years. God be praised that Iowa has in law the “Heartbeat Bill,” and Planned Parenthood has a diminished presence in our state with only two locations currently open for on-site abortions (Des Moines and Iowa City). The Prenatal Human Development Education Bill for grades 5–12 in public schools was signed into law this past summer. All of these move the ball down the field in the right direction.

Yet there are babies who still need to be defended. In the midst of this culture of death, the Christian church still needs to be engaged in pro-life advocacy and ministry! Let’s continue to pray for and encourage the pregnant mothers in our lives to keep their child. Find ways to support your local pregnancy resource center (find the closest one to you at <https://iowapregnancysupport.com/map/>). Encourage your pastor to attend the LCMS Pastors’ “Day on the Hill” in late January, as there will be an opportunity for him to pray with and speak with our elected public servants concerning life issues.

Keep in mind, the issue of abortion is not first and foremost a political question. It is a theological question. It is an issue of whether God is the giver of life. It is an issue of whether all human life, made in God’s image, has an equal right to life. Because the issue of life is primarily a theological one, pastors, consider the theme of life in your preaching and teaching as you conclude the Christmas Season and

move into the Season of Epiphany. Remember that even as Herod raged and sought to kill the child Jesus, so too the devil seeks to kill little babies who bear the very image of the God the devil hates.

People of God, may your language be formed in the way that the Lord speaks of the life He gives and sustains as a “heritage” (Psalm 127:3). Allow The Litany (LSB pages 288–289) to teach you to pray that all women might be granted children and all mothers with infant children increasing happiness in their blessings. Take advantage of the opportunities this coming month as you continue to defend life in your vocations at home, in your community, and at church.
