Galatians 5:22-23

As we continue our series through Galatians, we hope this reading plan enhances our time together each week by preparing us for the sermon as individuals.

### How to Use This Reading Plan:

Each day we will read three passages of Scripture. On Mondays and Sundays we will read the sermon text for that week. On Tuesday-Saturdays we will read a Psalm. And finally, every day contains a chapter from both the Old and New Testaments. These readings will move through the Bible in the order of its table of contents (with a few exceptions). Of course, we encourage you to dive into all three every day. But even if you only have time to read one, don't let that discourage you from using this plan. And if you skip a day, just jump back in with today's reading!

The Bible is a challenging book to read on your own, so don't be discouraged if you find yourself confused or scratching your head! Take the initiative to reach out to someone to talk about what you're reading and what's challenging. Additionally, we encourage you to watch the Bible Project's short Bible Book Overview videos to get a better handle on each book's structure and overarching ideas.
