

Life on Life

Life on Life is the scheduled time throughout your Core Four year where you break away from the typical weekly meeting to simply spend time together by doing something fun or relaxing. Whether it is sharing a meal together, going to a ballgame, or simply hanging out with no agenda- *Life on Life* is meant to be a time to build relationship and fellowship together as a group. This also will allow some changeup and rest from the normal discipleship meeting. These are scheduled every few weeks throughout the Core Four 12-month guide.
