

RGC  
YOUTH CAMP 2024  
**BY DESIGN**  
**IN HIS IMAGE**

**SUMMER  
2024**

For all incoming 7th-  
11th graders (entering  
in Sept. 2024)

*Join us as we learn about various engineering design concepts through college-level lessons and a project competition, developed by RGC's own team of engineers!*

## VISION

Our vision is to display the workmanship of God through the lens of engineering to youth in our local community by fostering innovation in modern technology and admiration for our Creator.

## MISSION

Our mission is to bring unique engineering lessons, activities, and projects geared for all levels of experience, and to open church doors to share the gospel to the youth and families.
