

Areas of Service - Children's Ministry

Note: To serve in any area of Children's Ministry, we ask that volunteers be a church member for at least 6 months and complete a national background screening once a year.

Weekly Opportunities

Sunday Morning Bible Study Teachers

For classes with toddlers all the way up to 6th grade. We need people who are passionate about teaching Bible based lessons to children of all ages. Don't feel like you can commit to teaching every week? We also need a reliable list of substitute teachers to fill in when the regular teacher is out.

Wednesday Night Bible Study Teachers & Helpers

For classes with preschoolers through 6th grade. Wednesday nights are all about discipleship! We want to engage our children with fun activities while teaching Biblical truths. For new volunteers who want to gain experience teaching children, Wednesday nights are a great place to start.

Little Disciples Leaders

During the sermon portion of the worship service, kids aged 4 years old through 2nd grade engage in a video based Bible lesson, songs, and play. This class is generally offered on Sundays during the school year, except on Holiday Schedules or the first Sunday of the month (Family Worship Sundays.)

Nursery Care

Every Sunday of the year, our church offers nursery care for babies through age 3. We need volunteers to go on an 8-12 week rotation to care for little ones during the worship service. This is one of the easiest ways to get started serving! It only takes 4-6 hours a year!

Special Events

Vacation Bible School

VBS is a long-standing tradition at Fannin. We conduct our VBS in evening hours for one week in late summer to allow for families to participate together. There is a wide variety of places to plug in during this week long event - from cooking, decorating, dancing, drama, teaching, leading, cleaning up, and much more! We want everyone to find his/her place of service.

Renew U

A full Discipleship Day held in the winter for kids aged 3rd grade-6th grade. We do Bible study, arts/crafts, games, worship, missions project and more! This event can't happen without adults and teens willing to help.

Summer Fun Events

Sponsor a summer fun event! Whether you host a pool party at your home, or chaperone a field trip, we are always looking for fun things to do in the summer that will entice children to invite their friends into our church community.

Christmas Musical

Every other year the children's ministry hosts a Christmas Musical. We need musically talented folks to volunteer! Even if you don't consider yourself musically talented, we need help with costumes, drama, crowd control, choreography and technical support/sound operation. This musical is often a favorite memory for kids, parents and the church.

Bible Drill

We offer Bible Drill for kids aged 4th grade through 6th grade. We are always looking for adults and older teens to assist in getting the kids ready for competition. This program starts every January and runs through April.

Trunk R Treat

Fannin hosts this event as an alternative to Halloween festivities. We need people to host trunks, lead games, provide candy, and set up / clean up. This event is always well attended and a lot of fun for our church family!
