LOVING

THE RONCHI FAMILY - Reaching the Unreached

Serving in the field since 2003, the Ronchi family's heart is to invite, **with LOVE** and respect, the unreached to follow Jesus. They work out of southern Italy to reach the 7000 unreached people groups in the world today by directing a training program to prepare long-term workers through practical application, spiritual and character growth. Their desire is to send fully equipped, resilient workers and to sustain them as they serve. You can partner with the Ronchi family by praying, adopting a people group or giving to their organization. Visit: iamweb.org to learn more.
