LOVING & SERVING

Gather with your church family following the service to share in a meal, build community, reflect and express thanks over blessings from this past year at

During the meal the Benevolence and Outreach teams will be giving an engaging report filled with stories and encouragement from this past year's events. There will also be an opportunity to give towards future endeavors as well.

Have a story to share?

Whether you were the one on the giving or receiving end, we'd love to hear from you! Contact Sarrie or Nicole by emailing info@trellisnw.org.

MEET YOUR HOUSE CHURCH SERVANT LEADERS!

Servant Leaders of the month: Monroe

Joseph's background in relationship-focused ministry gets him excited about the unique opportunities that come from creating smaller, more intimate & vulnerable church communities. The house church is meant to build up the believer AND be a place where those who are seeking will be welcomed, known, and loved! Joseph dreams about leading the Monroe house church to significant growth! In his spare time, you can find Joseph hanging out with his wife and four kids, working on his house and property, or enjoying a good cup of coffee reading (or listening) to a good book or podcast!

Zack is a husband, dad of two, and someone who loves learning, creating, and asking good questions about faith, revelation and life. I love good coffee, long hikes, and anything that lets me be a creative-collager whether that's cooking, reading, filming or building something. More than anything, I care about journeying with people and encountering Jesus with them; watching the Spirit take dead things and breath resurrection life in them.
