Prayer Requests

Please keep **Ken** and **Debbie Martin** in prayer for their Albania Mission Trip. Debbie broke her shoulder, had a successful surgery, and is out of the hospital. She started physical therapy and will continue teaching their students!

Nancy VanderSyde had an appointment on July 11th to undergo further testing for being a candidate for a kidney transplant. Please continue praying for positive results and a kidney to be found.

Please keep **Larry Cline** in prayer as he is still experiencing pain from nerve damage from the shingles episode he had last fall.

Please see the **Connection** for the full list of prayer requests.
