

# PARENT PACKET

GLORIFYING GOD  
BY MAKING DISCIPLES  
OF OUR NEIGHBORS  
AND THE NATIONS!

*“The purpose of youth ministry is not to make teenage disciples but adult disciples whose faith took root in their teen years.”*

*-Mike McGarry*

**Hope Students exists to help  
make adult disciples whose faith  
took root in their teen years.**

**HOPE STUDENTS DISTINCTIVES:**

FERVANT PRAYER

PASSIONATE WORSHIP

CHRIST-CENTERED TEACHING

PURPOSEFUL DISCIPLE-MAKING

COURAGEOUS EVANGELISM

It is our desire to disciple the next generation at Hope Church as well as reach the lost in our community. We believe both groups need the same thing: ***the good news of the grace and love we receive through Jesus Christ.***

When students come to Hope Students, they will have fun - but more importantly, they will find ***a group of people who are being formed by fervent prayer, passionate worship, Christ centered teaching, purposeful discipleship, and courageous evangelism.*** In addition to our weekly Sunday Night Gathering and Sunday Morning Worship we offer a variety of events and retreats. Hope Student leaders aren't "chaperones" but adults who are committed to helping students grow in their relationship with God.

***All of our efforts are designed to come alongside the parents of Hope Church and support them as the primary disciple-makers of their students.***

-Pastor Zack

## **WEEKLY MEETINGS**

### **Sunday Morning Worship**

We believe it is crucially important for students to worship with the church on Sunday mornings.

Our goal is to raise up students who walk with Jesus throughout adulthood so we want them to see and participate in what it looks like for adults to worship and follow Jesus.

### **Sunday Night Gatherings**

Our Middle School and High School Students will gather on Sunday nights for discipleship, prayer, teaching and a game. Our night features fellowship/hangout, large-group teaching time, discipleship groups, and games/activities. Our students' discipleship groups are currently broken up between guys and girls. This is a safe place for students to gather together with mature adults to discuss and apply that night's message to their lives.
