Event Host Guide

Helping our hosts “prepare the soil” for
ALL that God has planned for their event!

"Sharing the truth of God's word and the love of Jesus Christ through the example of the horse."

STV Mission Statement

First of all, THANK YOU for considering partnering with this ministry as an event host. This is no small gesture, and we want you to know just how much your support means to our mission of sharing the gospel of Jesus Christ through the example of our horses. We could not fulfill the call on our ministry without your partnership, generosity, kindness, and obedience to God's prompting!

Since 2017, when God gave us a clear vision of beginning a ministry using our horses, we have been blessed to have been hosted by folks just like you, all over the country! From big arenas, to small backyard pens, to county fair pulling tracks... our horses have ministered on and in it all and through those experiences, God has given us wisdom and vision for what a successful event looks like.

In the following pages, we will share both physical items and spiritual tools that will help you prepare for your STV event. The Lord is at work here and we can't wait to see what He does in and through you!

“Physical Items”

God is currently sharing 3 “types” of messages through our horses: 1) Roundpen 2) Liberty or 3) Discipleship. A personal conversation with Charlie will determine which message will be best for your event. We never want to limit what God can and will do through our horses though, so we feel it is important to note that no two messages are the same and we are not limited to just those 3 options. God has free reign with STV!

Here are some specific area requirements needed for the messages we have encountered so far:

- **Roundpen Message:** Our roundpen is 40-50ft in diameter and for this message we require a 60-70ft flat surface.
- **Liberty Message:** a 60-80 x 100 ft flat surface area is best for this message. We can utilize our panels and/or your arena to erect this space.
- **Discipleship Message:** Because of the physical demands on the horses, this message is reserved for arenas only.

Other items to note:

- Our Rig is 52ft long (semi-length).
- We have no electrical needs, it is all self-contained in our rig.
- If your event runs after dark, please have adequate lighting
- Dirt flooring is not required, but it is appreciated! However, we have delivered lots of messages on grass and God uses that in a powerful way too. We kindly ask that all areas be free of debris to ensure the safety of our horses.

“Outside Horses”

Depending upon the message you and Charlie decide suits your event best, it may require an outside horse to be brought in for teaching/training purposes throughout the message. Typically, we ask the host to work to provide those horses either from their own barn/program or from friends in their community. For requirements of those horses, please see our “**Horse Owner Guide**”.

“Spiritual Tools”

Prayer

It has been our experience that as soon as a host says “YES” to God and steps out in faith and obedience to host one of our events-- the enemy takes notice and will do everything he can to try to stop it: so **GET PRAYED UP!** We recommend forming a prayer team dedicated to interceding on behalf of your event and be dedicated yourself. As host, YOU are responsible for prepping the spiritual soil for your event! The Lord will bring the seed through His message and our horses, but YOU ensure the soil is ready for planting!

Scripture

God's word tells us that we fight from a place OF victory not FOR victory and the way we do that is by using the literal word of God to combat the enemy's advances. Think Jesus being tempted in the wilderness-- how did He combat Satan's constant barrage? By answering him with HIS FATHER'S WORDS! (Matthew 4:1-11).

GET IN THE WORD!

“Spiritual Tools Con’t”

Gratitude

Your PRAISE is a weapon! **“God’s high and holy praises fill their mouths, for their shouted praises are their weapons of war!” Psalms 149:6 TPT** It changes the atmosphere and realigns your mind with the will and greatness of God. Fix your eyes on Jesus by thanking Him for the opportunity to host your event.

“No weapon that is formed against you will prosper; and every tongue that accuses you in judgement you will condemn. This is the heritage of the servants of the Lord, And their vindication is from Me, declares the Lord.”

Isaiah 54:17

If you have questions or need guidance on how to spiritually battle for your event, please don’t hesitate to reach out to us. Together we have weathered some of the enemy’s most cunning attacks, all by the grace of God and the strength of His Angel armies by our side. We would be blessed to help you navigate the road to a successful God-centered event.

“Additional Recommendations”

Fellowship

Fellowship is such an important and integral part of God’s design for your event. Ministry truly happens when you create space for it to, after the message. Food is always a great conduit of conversation, so we recommend offering refreshments, a meal over the campfire, or even dessert ... just something that encourages people to stick around afterwards! This is also a great way to get your community involved-- reach out to local businesses or clubs to sponsor the refreshments!

Love Offering

The question we receive the most: “What does it cost to host one of your events?” God has been very clear with us from the very beginning that we are not to charge for sharing the gospel and that He would supply our needs. However, we do graciously accept love offerings. Some hosts donate those themselves. Others take a collection at the event or even solicit donations from their community. We ask that you prayerfully seek God’s direction on this topic and give whatever He lays on your heart.

"All the believers devoted themselves to the apostles' teaching, and to fellowship, and to sharing in meals, and to prayer."

Acts 2:42 NLT

The STV Family is dedicated to serving God and loving His people. We welcome any questions you might have and would be blessed for the opportunity to partner with you as an event host.
