

MISSIONS TEAM

Apex Miami Trip 2025 – June 2025

APEX is a Short Term Missions initiative by the Evangelical Free Church that provides trip ideas for churches to join within the US and around the world. See URL = <https://www.apexmissions.org/>

HCC sent a team of 8 high school students and 2 leaders to serve KidsXL in Miami, Florida for one week in June of 2025.

MINISTRY – KidsXL is an all-day VBS ministry that operates 5 days week from 9am to 5pm during the summer. This program serves their local community and allows many unchurched children hear the gospel for the first time. As a team, we were able to teach bible lessons, share testimonies, play games and build relationships with KidsXL children. We were so blessed to serve about 150 children. One major highlight was seeing a KidsXL leader get baptized at a water park! In addition, our team walked South Beach and prayed over people we have never meant. God moved in powerful ways!
