Rock Nest Ranch Bible Camp is a ministry serving indigenous children in northern British Columbia as a part of UIM International. UIM currently is reaching 35 tribal groups in Canada, the U.S. and Mexico. RNR Bible Camp now has 15 cabins, a main lodge for dining, an A-frame gym, modern shop facilities on 80 acres of land.

**MINISTRY** – Hope Community Church sent a team of 15 to RNR Bible Camp to lead 3 camps with a total of 115 campers ages 9 – 15 years old. Our 2025 team consisted of 8 adults and 7 young adults ages 15 – 17.

## MISSIONS TEAM

We served alongside UIM missionaries by keeping the camp clean, working in the kitchen, running high adventure rope courses, shepherding campers in cabins, leading devotions and worship. The campers participated in high adventure ropes courses, games, swimming, and heard the gospel message over the course of the week in chapel times.
