# Inconvenient Discipleship

Luke 9:23-26

## Luke 9:23-26

### Discovery:

1. In your thinking, who is a “follower” of Jesus? (cf. Luke 9:18-20)
2. Is this call in v. 23 for believers only, to unbelievers only, or to both? (cf. Mark 8:34)
3. State again the three directives found in v. 23

### Understanding:

1. How do these directives relate to each other?
2. How do these step by step processes work?
3. Are these directives easy or difficult to follow/obey? Why?

## **Application:**

1. Give specific examples from your own experience that show how challenging the directives are.
2. Share any current situation you're in that challenges your followership.
3. Pray for one another.
