Poem On Women's Day

It's a time to celebrate, all the women in our lives.
Our mothers & sisters, daughters & wives

We must remember, to appreciate & respect.
with their beautiful hearts,
how our days they affect.

Each woman is gentle, care and kind.
we must respect, both her body & mind.

Let's acknowledge & celebrate,
all things they achieve.
we encourage each one,
when we support & believe.

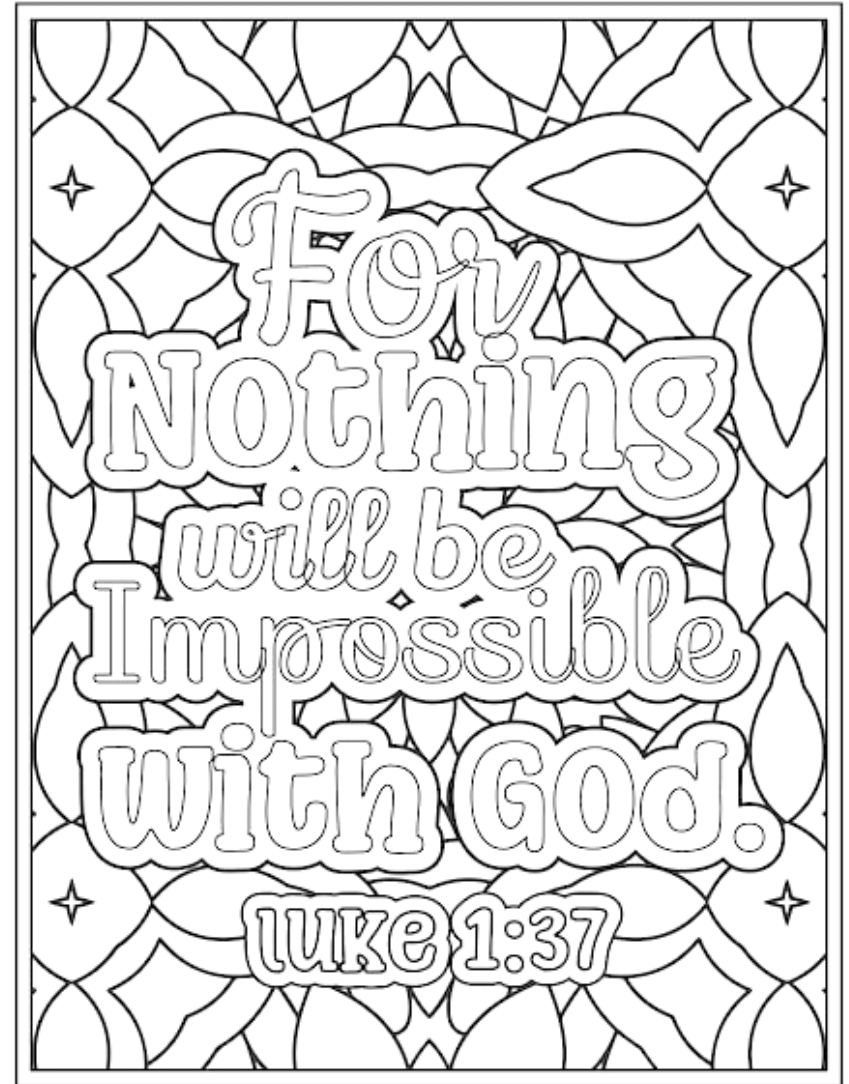

To their hardships & struggles,
we must open our eyes
act with compassion.
when we hear all their cries.

We must always love them,
& genuinely show.
this is the key,
for our relationships to grow.

Happy
Women's
day
