Vision for 2025-2026

Problem Statement

God calls men to lead their families and to guide each family member through this wretched world. Part of that calling is for a man to be able to address and answer questions about various topics, problems and new "beliefs" that face this world. Many of us are unaware of how we should handle these topics.

Solution

Through a variety of activities and forms of learning, we will cover our church's answers to the most pressing social and theological issues on all of our minds.

End State

By the end of our "school year" in 2026, each man will be able to articulate key theological principles to their families when asked and to proactively build the knowledge into their families. As we work together, we will grow deeper relationships among the men of the church to strengthen the backbone of our local Body.

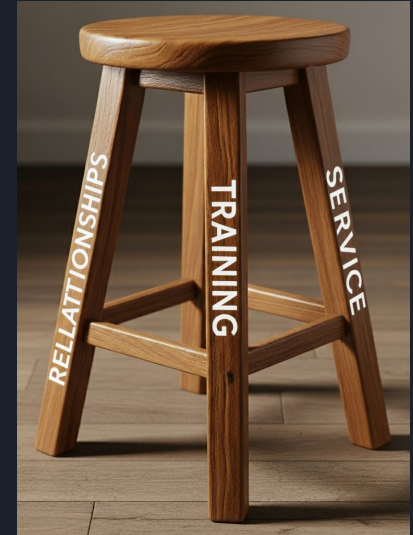

How We'll Get There

Accountability

Brothers and sisters, if someone is caught in a sin, you who live by the Spirit should restore that person gently. But watch yourselves, or you also may be tempted. Carry each other's burdens, and in this way you will fulfill the law of Christ.

Galatians 6:1-2

As iron sharpens iron, so one person sharpens another.

Proverbs 27:17

Feedback Session

Please take a few moments to pull up this survey and fill it out.
We'd appreciate if you would include a good contact email.

Intent is to understand how we can best serve you and cover
topics of the most interest to everyone.

We know logistics can be difficult, but it's important for us to
gather and build relationships outside these walls - let us know
what would work best for you.

For discussion: What is missing from this survey? Which topics
do you find especially interesting or critical to cover?

Prayer Time

Let's spend a few minutes sharing prayer requests in groups and praying together. Who would like to volunteer to close us as a group?

Frisbee Golf

For those who are able, let's head outside and compete together. Keep your table as your team.
