GENESIS 2:5-25

BIG IDEA

God created us and commissioned us to glorify him by being like him

SERMON OUTLINE

1. We are like him in our work: In this chapter God commissions Adam to “serve and tend” to the garden of Eden. This is the commissioning to work to the glory of God. Our work is a fundamental part of our human experience.
2. We are like him in our families: In this chapter we see God create Eve as a spouse for Adam. Our marriages and our families are to be little images of God and his love for us.
3. We are like him in our covenant keeping: In this chapter we see the Covenant of Works, God’s law given to Adam in order that the covenant might be kept. We are covenant keepers of the greater covenant of Christ and his love.
