

2025 MID-YEAR FASTING AND PRAYER GUIDE

# LIGHTS AND PERFECTIONS

[owomhq@gmail.com](mailto:owomhq@gmail.com)

Dear Praying Friend,  
Welcome to our 2025 Mid-Year Fasting and Prayer journey. This year, we gather under the prophetic theme: "Lights & Perfections"—a phrase that finds its origin in the sacred instruments of the Old Covenant: the Urim and Thummim. In the priestly garments of ancient Israel, the high priest bore the

# WELCOME

Urim (lights) and Thummim (perfections) over his heart as he sought God's will for the people (Exodus 28:30). These symbols represented divine clarity, truth, and judgement. Today, we rejoice in the fulfilment of this mystery in Christ Jesus, our great High Priest, in whom “are hidden all the treasures of wisdom and knowledge” (Colossians 2:3). In Him, the perfect light of God shines (John 1:9), and in Him we are made complete (Colossians 2:10).

As we fast and pray over the next 31 days, may we walk in this revealed glory—receiving divine illumination where there has been confusion, and divine completion where there has been lack. Let us seek the Lord with hearts expectant of insight, purity, healing, and alignment with heaven’s agenda for Occupy World Outreach Ministry.

This guide has been prayerfully designed to lead you into daily scripture and strategic prayer. Whether in personal devotion, corporate gatherings, or family altars, may each moment be a portal of divine encounter.

Let the light of Christ shine within and through you. May perfection be worked out in your inner man, in your relationships, in your assignments, in our ministry, in the church of God and in the nations. And as we journey together, may the glory of the latter house exceed the former.

Thank you for your fervent intercession and unwavering partnership. The Lord bless you abundantly and reward your labour in His vineyard.

In His Light and Grace,

**Victor and Beatrice Amosun**
