## OASIS — Older Addults Still In Service

Tuesday, October 14, 2025 ♦ 11:00am

Our next gathering will be in the South Building. Julie and I warmly invite you to join us for fellowship, food, and a Bible study. Our study this month will be found in Daniel 9. The verse that caught my attention was verse 23: "The moment you began praying...." My mind flew to times that God guided when I was "lost" and needed guidance, deliverance, hope, and you can fill in your blank at this point. As you read it I am sure that there will be thoughts that come to your mind. Let's gather and see where the Lord leads us. (I'm not too sure that we will find a solution to the 70 sets of 7. But, we can surely see His provision daily.)
