

## **Weekly E-News from *New Beginnings Church***

Friday – September 19, 2025

### **News & Reminders**

#### **Friday Night Fire**

Join us for prayer, worship, deliverance, and encouragement Friday night at 7 PM, in the sanctuary.

#### **Women's Ministries Note**

September 20<sup>th</sup> Women's Small Group has been canceled.

#### **This Sunday is NASCAR Race Sunday**

The race starts at 3 pm (9/21); there will be NO problem getting to the church or getting home afterwards. Let's pray for all the Christian workers, that they have opportunities to share their faith.

#### **The BIG Drop!**

It's a FREE event for families, for kids ages 0-Grade 6, Saturday, September 27th, 3–5 PM, here at the church. We will also have games and food. Come see what we drop from a height taller than our buildings! We request that you preregister so we can plan ice cream. Go to our church app; to "Upcoming Events" and scroll down to The Big Drop event on Sept. 27. If you don't have our church app yet, search **LNB.church** in your app store. Paper invitations and details are in the lobby. We will also create a Facebook event that you can share.

We need volunteers who would like to help with our games, etc. and have a clean background check on file in the church office. If you are interested, please see Phyllis Huntley or Mary Dobson. And, we would love help with items to drop from great heights such as a pumpkin, a watermelon, a bag of flour, a couple of eggs, etc. If you can help with these items or other contributions, please see Mary Dobson or Phyllis Huntley. Lastly, please pray as we have invited our community and the kids are inviting their friends. This event is an outreach event for us as the real theme is "Drop everything for Jesus!"

Thank you for all your support as it means so much to us and the children.

#### **A Kids Cove Testimony**

We want to share what God has done since we moved to South building. Our 6<sup>th</sup> graders have begun volunteering to help in our sound booth with sound and audio visual and just about any other place I need before they go to Eagle Island class. It is so cool to see them living out our Serve First church theme. Also, last week God showed up in a tangible way. We showed the promo video for the Big Drop event on the 27<sup>th</sup>. After we showed the video, our projector stopped working and nothing we did got it to turn on. One of our girls in Loon Island shouted out, "Why don't we pray for it?". I said, "Sure, if you lead" and she did. After we prayed, the projector turned on! Talk about a way to increase our faith but especially for our kids!
