

Missionary of the Month

Christa Erno

- **Praise the Lord for encouraging meetings with ministry partners for their care and continued partnership as I transition back to Mn.**
- **Thanks for God's ongoing financial provision. Pray for additional monthly partners and one-time gifts needed to be fully funded for the year ahead, trusting God's timing and provision.**
- **Pray that our facilitator team would be attentive to the Spirit's leading as we plan and adapt trainings and seminars.**
- **Praise & Pray for the 44 new staff, may they learn how to serve, for protection over their relationships with the Lord, their teams, their families, and the ministries entrusted to them.**
- **Pray for the workshops: facilitators & participants; the content would help us lean more into the Father and His work where our missionaries serve.**
- **Pray that the Lord would send workers into His harvest and help us faithfully prepare, equip, and walk alongside them through the challenges of cross-cultural living, all for God's glory and the growth of His church among all people.**
