

Missionary of the Month

Gary & Val Maloney

Youth for Christ

Prayer Requests:

- For wisdom for us as we have been asked for Coaching and Partner Development advice and for advice with training other YFCI mobilizers. We have meetings in Denver at the end of August where we will get together with the rest of the team.
- We coach six people in partner development (support raising), They are called to serve with YFCI in places like Puerto Rico, Italy, Germany, Southeast Asia, one as the Director of Ministry Care for YFCI, and another as a media intern. Please pray for wisdom as we encourage, teach and motivate them to raise support so that they will be on the field by the end of the year.
- For open doors in mobilization, we have been given two new opportunities to represent Youth for Christ International besides the Christian Colleges that we visit here in the Twin Cities area; a Mission Fair at Grand Canyon University in Phoenix in September and at Northwest Arkansas for The Nations in November.
- Pray that God will lead us to the people that He wants us to talk with and for safety in travel.
- Please pray for good health and energy for both of us too.
