

Missionary of the Month

Paul and Noelle Gebel

International School Project

Ask Mom Ministry

Prayer Requests:

- ♦ Two new teams have come together to start Ask Mom at the University of Montevallo in Alabama and the University of Memphis in Tennessee. Each of these teams would like to increase the number of Moms available to go on campus. Pray that God raises up godly women who love students and want to be trained in ministry skills.
- ♦ At the University of Central Oklahoma (UCO), pray we have good success in meeting new international students.
- ♦ Two women are considering joining our team at UCO—pray God directs them and makes it clear if they should join our team or not.
- ♦ Please pray for Ahsan and Sarah, two international students at UCO. They have been hearing the gospel now for two years. Please pray they come to Christ. We love them dearly.
- ♦ Pray for the 135 teachers who attended our first-ever International School Project Latin American teachers conference in Peru, August 15-17. Pray they apply what they learned and God blesses them with fruitful ministries of evangelism and discipleship.
- ♦ Pray for God's protection on ISP teams as they travel this semester.
- ♦ Artificial Intelligence is invading our culture. Pray the Ask Mom teams have relevant and Biblically-based conversations with students about the impact of AI in their lives and what it means to be human.
- ♦ Pray for the salvation of our daughter, Erika, and her husband Jeff. They live in Martinsburg, West Virginia.
