

FamilyLife Weekend to Remember is coming to Minneapolis March 20-22, 2026! This weekend marriage getaway is Christ-centered, designed to help couples strengthen, encourage and renew their marriages through biblical teaching, practical tools and intentional time together. The weekend event is held at the Mall of America at the JW Marriott. It doesn't get any more convenient than that! (Staying overnight at the hotel is optional, some couples choose to commute. There are less expensive hotels choices nearby the mall as well.) Sessions run Friday evening, all day Saturday, including a Saturday date night, and Sunday morning. During the month of January, the per person registration fee is half off at \$87.50 per person (\$179.00 per couple). The Minneapolis Weekend to Remember Conference usually comes close to selling out by the end of January, if you are thinking about attending, **NOW** is the time to register. If this is something you think your marriage could benefit from, but the cost is holding you back, please reach out to Pastor Mike as a few scholarships are available.

Also, this makes a **GREAT** gift for a newly married or young couple.

[Registration link](#) If you register, please let Pastor Mike, Jay Hoekstra or Deb Hoekstra know. We will tell you how you can help South Sub earn a free attendance scholarship (earned for every 5 couples registered with our church and accumulates from year to year). And, we'd also like to come alongside and pray for you as you attend.
