DISCUSSION QUESTIONS

#1: How could disciplining ourselves to be thankful to God in all circumstances change our perspective of life, and of God?

#2: In what ways does being thankful to God change our perspective and our attitude as we live and work to obey Christ's command to "seek first the Kingdom of God"?

#3: Why should it actually be an easy thing to be thankful to God in all circumstances? What is it that is ruling us if we struggle being thankful? What can we do about that?
