DISCUSSION QUESTIONS

#1: Let's also ask ourselves, what does it mean to steward our lives for the glory of God? How can our lives give glory and honor to Him?

#2: In the story of Jesus visiting his hometown of Nazareth we read, "He could not do any miracles there, except lay his hands on a few sick people and heal them. And he was amazed at their lack of faith. Evidently, their lack of faith or trust in Jesus stemmed from a root of dishonor in their hearts. How significant then is the issue of honor for us as His disciples?

#3: Could stewardship be an indicator of our true faith in God and a revealer of our hearts before Him?
