A summary is on the back.**

PRAYER REQUEST(s)

Nan Oney has been placed on hospice care. She is one of our homebound members.

Joyce Tilley is recovering well. She did not need additional surgery, but there is still healing and recovery needed from her recent gall bladder surgery.

Bobby Phillips started his chemo in Houston last week. He is now back at home.

Cole Roberts received his biopsy results. It is squamous cell carcinoma. They will schedule a PET Scan to determine how to move forward.

Wayne Sells, uncle of Sandy Oney, fell and broke his hip. He had surgery at Good Shepherd in Longview.

Donna Jones, mother of David Jones, had a heart procedure. She is now recovering at home.
