

Weekly Sermon Based Discussion Questions

March 24, 2024

SCRIPTURES:

Matthew 27:45-54, Mark 15:33-39, Luke 23:44-46, John 19:28-30

DIGGING DEEPER:

1. As Christians we typically view Pilate very negatively but how often do we place Jesus on trial in our own lives?
2. This is a difficult question, but what do you accuse Jesus of most often?
3. What does it mean that “Christ died for our sin?” What does that mean to you personally?
4. How do we explain the “wages of sin is death” to an unbeliever — while pointing him or her to, “the gift of God is eternal life?”
5. Why, even after hearing a clear presentation of the gospel do people among the church make salvation about being “good enough” or “trying harder?”
6. When the crowd cried, “Hosanna” they expected an political revolution. What do you feel that you need Jesus to rescue you from in your life?
