I don't want to do what is wrong, but I do it anyway. **20** But if I do what I don't want to do, I am not really the one doing wrong; it is sin living in me that does it. **21** I have discovered this principle of life—that when I want to do what is right, I inevitably do what is wrong. **22** I love God's law with all my heart. **23** But there is another power within me that is at war with my mind. This power makes me a slave to the sin that is still within me. **24** Oh, what a miserable person I am! Who will free me from this life that is dominated by sin and death?
