Missions Focus:

Jay Baughman, Missions Mobilization Consultant, NC Baptists on Mission, will share updates on the Hurricane Helene relief effort in Western North Carolina as well as work being done to help those in the central part of our state affected by the Chantal Flood.

Jay began his time with Baptists on Mission in 2013 with his wife, Ashley, at the Red Springs Mission Camp. In January 2019, they moved to Lumberton as the coordinators of the Lumberton Rebuild Center. Jay became the Missions Mobilization Consultant in 2025.

Special Guests: The Taylors

The Taylors are an award winning brother-sister trio. Entering their 13th year in Southern Gospel, The Taylors are an award winning brother-sister trio from the heart of North Carolina. With their smooth family blended harmony, Jonathan, Suzanne, and Chris have been delighting listeners with their spirits and enthusiasm through music. They are dedicated to stirring up the faith of the Christian community and reaching others with the good news of Jesus Christ is their #1 priority.

The Taylor siblings grew up as members of Fellowship Church, a small country church, where their father has been ministering as a Baptist minister for nearly 33 years. With their mother's guidance as their music director, it was around the church piano that The Taylors created and honed their beautiful family harmony. The sound of the group has only grown tighter and better as the years go by.

Growing up in a Christian home has reinforced their faith and values, and has created in each of them a strong desire to proclaim their salvation through the ministry of music. God is at the very center of The Taylors' ministry and also at the center of their hearts. They consider themselves extremely blessed to be able to sing for The Lord.
