

MUNGER KIDS

WELCOME PARENTS AND STUDENTS!

Welcome to MungerKids!

At Munger Place Church, our children's ministry is where faith meets FUN! We're on a mission to create little disciples with big hearts and even bigger smiles.

From wobbling babies to wise-cracking fifth graders, we're committed to:

- Making the Bible come alive (without actually raising Lazarus)
- Building a foundation of faith (with more stability than the guy who built his house on the sand!)
- Creating memories that last longer than Noah's flood
- Having more fun than Jonah had in the whale (which admittedly isn't hard)

We believe every child is fearfully, wonderfully, and occasionally messily made. Through age-appropriate adventures, biblical teachings, and sometimes enough snacks to feed 5,000, we're growing the next generation of believers who understand that serving God is the most fun adventure of all!

Because here, we don't just teach the Good News – we celebrate it with every silly song, craft stick creation, and "Jesus Loves Me" remix. After all, if you're not having fun while learning about the One who invented giraffes, you're doing it wrong!

Our promise: To create a space where faith grows, friendship blossoms, and fun overflows!

So, **THANK YOU** for being a part of this wee but mighty ministry!

Blessings,

Louise McCallion

WHAT TO EXPECT:

CHECK-IN

We use iPads to check-in each child, that provides a printed label for the child as well as a label for the parent (or caregiver) to keep for pickup. Both labels have the same four digit code, which is important to note for the pick-up process.

PICK-UP

The check out process is simple (I promise), we match the pick-up label that was printed out at check-in, with the child's name tag. Once the labels match, the child can be released to their parent or caregiver. Teachers, please do the same process even if you are only in the classroom next door. We must see each child directly handed off to the grownup they belong to!

SAFETY

We are committed to making sure every child in our space is taken care of and safe. All volunteers receive training annually (or congruently with joining the team) including a background check and MinistrySafe training. **Uniformed security officers are stationed in each of our MungerKids ministry areas.**

ADDITIONAL RESOURCES:

NURSING ROOM

A private nursing room is located in the Basement.

BUSY CARTS

Located in the coffee bar, Narthex, and balcony, we have stocked "Busy Carts" with activity sheets, crayons, fidgets, headphones, and other fun things to help children engage in worship.

KIDS TIME WITH MISS LOUISE

11am service only *(except for the first Sunday of the month for Communion)*

Each week during the 11am service, our Director of MungerKids, Louise McCallion, will invite children up to the front of the church to spend just a few minutes summarizing the grownups sermon into a bite sized, high energy, wee kids moment!

CONNECT GROUPS AND EQUIP CLASSES

Join one of our discipleship opportunities for your specific needs and stage of life! From parents of infants, to toddlers, to teenagers, we have a place here for you!
