Where He Leads, I'll Follow

My Life Is In You

Leave A Light On

“You are the light of the world. A town built on a hill cannot be hidden.” Matthew 5:14

“Hope is being able to see that there is light despite all of the darkness.” -Desmond Tutu

Teresa always made sure that there was light left on when we left the house. There is something comforting about seeing a light on when you drive up to your home. When I would drive down the street and up to the house after a night of officiating, I would look up to see if there was a light on in the bedroom or bonus room. I would then know that she was still awake and waiting for me.

There is comfort in seeing a light on a dark night. It creates the feeling of comfort knowing that there is a place of rest and peace. It gives us comfort that someone who cares and loves us is waiting for us.

Jesus says the lives of those who believe in Him should resemble that of a welcoming light. As believers, we're to shine and let those wandering in the dark know that there is a safe place to come for love and comfort. May we always be aware to leave our lights on as we allow Jesus to shine through our lives to a world that can be so dark. Be a light.
