A/V Ministry

Our mission is to faithfully support the worship experience by stewarding audio and visual technology with excellence, creativity, and humility. As a close-knit team of volunteers and professionals—led by James York, Russ Neely, Steve Foster, and including James Greenwood, Steve Patton, Adam Priddy, and Derek Robinson—we serve on a rotating basis to ensure that every in-house and online service is clear, engaging, and Christ-centered.

We are committed to removing distractions, amplifying the message of the Gospel, and creating an atmosphere where people can encounter God fully—whether in the sanctuary or through a screen. Our Sunday and Wednesday services are streamed via Facebook and YouTube and can be found by searching for Tusculum Church of Christ. Bookmark it for future use! Archived services can be found on YouTube.

We also encourage our online audience to reach out via Facebook or personal text to a leadership team member if they experience any issues with audio or video during the service, so we can respond quickly and ensure no one misses the message.

If you would be interested in serving in this ministry, don't hesitate to get in touch with James York.

A No-Cost Way to Increase Your Giving

If you happen to shop at Kroger, did you know that you can designate the Tusculum Church of Christ to receive a portion of all your spending there? You must have a digital account with Kroger, meaning you have a log-in with their website, and you want to be sure you have connected your Kroger Shopper card to your online account. For most people, this happens when setting up your Shopper card.

Once you log in to the Kroger website, you click your name on the top right > My Account > Community Rewards. From there, you select our church as the organization to which you wish to donate. Take a few seconds to set this up, and every time you buy groceries, you can simultaneously support our church since they will give us a portion of their proceeds. All funds we receive from Kroger go to benefit our ministries for young people. Thanks for considering and let us know if we can help! - Mark Adams

As always, keep us in your prayers. ~The Benevolent Committee
