Thank You for a Great Tech-Tober!

A big thank you to everyone who participated in **Tech-Tober** and our **Tech Support Sundays**! Your enthusiasm, patience, and willingness to learn have made a real difference in helping our church family stay better connected. Whether you came by for help, served behind the tables, or encouraged others to try out our tools, you've helped strengthen the bonds that keep Tusculum thriving.

Even though we won't be hosting regular Tech Support tables right now, please remember—our **Tech Team** and staff are always happy to help! If you ever have trouble logging in, updating your profile, or finding something in the app, just ask. We're glad to walk you through it.

The **Tusculum App** is a great place to explore upcoming events, Bible studies, and ways to serve. You can also find people's phone numbers, emails, and family photos through the **Instant Church Directory App**—a wonderful way to stay in touch and encourage each other throughout the week.

Thank you for being a church that embraces new tools with the same spirit of community and kindness that defines everything we do together.

~Mark
