Upcoming Ministry Spotlight Articles

Paul wrote to the church in Ephesus, “For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them.” (Eph 2:10) We are truly blessed at Tusculum to have numerous opportunities to serve others by participating in various ministries that are available to us. In fact, there are so many potential areas in which to serve, many of you may not even be aware of them all!

To that end, beginning next week there will be a Ministry Spotlight article in this section of our church bulletin twice a month that will describe the activities of one ministry group. Our goal for this is to create increased awareness of potential ministries that are available for involvement and to encourage the entire congregation with the good works these specific ministries are doing. I think you may be amazed by some of the “behind the scenes” efforts that are going on within the body here.

Who knows? You may discover a ministry that you were not aware of or that you have a particular gift or ability to contribute. You may know someone else that has a talent that could be utilized in one of the ministries and encourage them to participate. Wouldn't it be wonderful if every member were involved in at least one ministry of the church? I think that is what Paul probably had in mind when he encouraged the Ephesian Christians to “walk in them.” Be looking next week for our very first Ministry Spotlight article!
